### **June programs for adults at the Berkley Public Library**

BERKLEY, MI (May 29, 2015) – The following programs for adults will take place at the Berkley Public Library in June.

#### **Roots of Music: Origins of the Motown Sound**

Lecture by Joel Stone, Senior Curator from the Detroit Historical Society  
Tuesday, June 16 at 6:30 p.m.

Detroit is known the world over for the music that came out of a small studio on West Grand Boulevard during the 1960s and 1970s. But the Motown Sound wasn't born from thin air. It had its roots in other music that was being made in Detroit and around the country in the years before Hitsville U.S.A.'s founding in 1959. This presentation delves into the city's history of music making, the connection between the Motown Sound and Detroit culture, and the elements that contributed to the unique stylings of Motown and Tamla Records.
