#### **The Birth of Sake**

Tuesday, August 23 at 6:00 p.m.

In Japan, saké has been popular for nearly 2,000 years. But this traditional rice wine is more than a mere libation; the country's finest varieties are considered works of art. The Birth of Saké takes us on a cinematic journey inside the Yoshida Brewery, a 144-year-old family-owned establishment whose workers range in age from 20 to 70. Here, a brotherhood of artisans and their brewmaster spend six months in nearly monastic isolation as they follow a precise, painstaking procedure to bring their "unruly child" into being. Witness the mythical, mystical process of creating a world-renowned masterpiece. This event is a collaboration with the award-winning documentary series POV ([www.pbs.com/POV](http://www.pbs.com/POV)). To register, visit <http://goo.gl/2oHwbP> or call 248-658-3440.
